## About Us

Kolkata Educational Charitable Trust has been established with a vision of empowering underprivileged sections of the society through quality education. The Trust has started "KECT Academy" a Primary School programme in January 2019. The programme aims at reaching out to the slum dwelling population of Kolkata for the present.

## Vision

To have a world in which every child is educated irrespective of class, creed or race.

## Mission

To provide children from marginalised sections of the society with equal opportunity to education, development and participation, free of cost

### KECT Academy:

The primary school program started in January 2019 with 70 children in the age group of 4 to 5 years. This is a Montessori programme that seeks children in their formative years, thereby enabling us to look at qualitative development of the child.

KECT Academy looks at all developmental needs for the child, including health, hygiene and nutrition, uniforms etc to name a few. Every child's academic and non academic growth is the responsibility of the school.

KECT introduced class 1 from April 2019.

## Facilities at KECT Academy

1. Free English medium education
2. Montessori method for around 100 Students in the age group of 4 to 6 years to strengthen foundation years
3. Primary school Class 1 – CBSE curriculum
